June 12–August 29, 2025

Quad 

Welcome to Quad Care's

Sussex/Pewaukee Junior Camp Quad

It's where kids go to build character, practice integrity, learn the value of friendship and have fun!

The Basics

Who can attend Junior Camp/Quad?

Children must be at least 5 years old and have **completed five-year-old kindergarten**. The maximum age is 14.

We accept children, both from the community as well as employees' children, including those with special needs, providing that we can adequately meet the child's needs without endangering the health or well-being of the child, other children or the staff. Our staff-to-child ratio does not allow for one-to-one care.

When does camp run?

Camp starts Thursday, June 12, and runs through August 29, 2025. Care after August 29 will be offered at the Sussex Center. A note of this should be made on your schedule. Please arrange for other care prior to June 12.

We are licensed from 6 a.m. to 7:30 p.m. on Monday through Friday to accommodate our production schedules. However, many classrooms close by 6 p.m. See director for more details.

Where is the camp located?

Junior Camp/Quad is held in the Quad Care facility just across the street from Quad's Pewaukee plant on W224 N3297 Duplainville Road.

How much does camp cost?

The following schedule outlines camp costs.

Are meals included?

Lunch is included in the daily rate, and is \$3.75 for anyone on the hourly rate. Supper is \$3.75.

How much do field trips cost?

Trip costs are listed in the brochure. Trip fees are supplemented by fundraisers, billed to your account and will be found in your billing statement. Field trips are our most popular days and are scheduled on a first come first served basis. Once bus capacity is reached, additional kids can be put on a waiting list. With enough attendance, a second bus can be ordered.

How do I enroll my child?

Log on to Quad.com/quadcare for a registration packet, or call **414-587-4365** or **414-566-2170**.

What is the registration deadline?

We will continue to accept registrations as long as we have room in our program. However, registrations received after May 16 may not be processed in time to begin on your desired start date. Registrations that are filled out in entirety will receive a \$25 discount. (Check your instruction sheet for instructions on filling out forms). Space is limited so enroll soon!

How will I know if my child has been accepted into camp?

Confirmation of acceptance will be made via email, in person or by phone. In the event of an incomplete registration, you will be notified and asked to submit missing requirements before enrollment is confirmed.

Community Families with children that attend camp for 4 hours or less per day will pay an hourly rate of \$12.05 for the first child and \$10.85 for each additional child. Hourly rate does not include meals.

Payment arrangements

- We require a non-refundable registration fee upon enrolling your child. Enrollment will not be confirmed until registration fee is received.
- Camp paperwork is audited by camp staff before being reviewed by the Wisconsin Department of Children and Families and must be fully completed. We request that paperwork be completed and turned in for processing a few weeks prior to the first day of camp. Incomplete paperwork requiring multiple audits will be assessed a fee of \$25.
- Each family that enrolls is required to submit a payment agreement.
- We only bill you for the days your child attends. However, you may be billed if your child is scheduled for an event that we are scheduled/billed for and your child does not attend.
- No minimum day commitment! **However, pre-week and post-week enrollment (critical scheduling)** is reserved for those families who are enrolled in the program and attend on a regular basis through the summer. Families scheduled who do not attend on a regular basis may not be allowed to attend during critical scheduling weeks (pre-week and post-weeks).
- We offer flexible scheduling to accommodate for summer school and other commitments. Please ask for details.
- Junior Camp/Quad tuition is eligible for dependent flexible spending reimbursement.
- Anyone not using the employee flexible spending plan must pay in advance either by credit card, check, a state funded program or through another flexible spending plan. **A late fee will be assessed if prepayment is not received** and care may be suspended until payment is made.
- Current pretax dollars can only be used for childcare tuition incurred during the current calendar year.
- Camp fees can be payroll deducted for Quad employees.

Our awesome staff!

- All Jr. Camp/Quad staff members meet or exceed those requirements set by the state of Wisconsin Department of Children and Families Early Care and Education Division.
- Staff members are required to participate in regular staff meetings and in-service trainings.
- Jr. Camp/Quad staff are mandated reporters for child abuse and neglect as required by the State of Wisconsin Department of Children and Families.
- Many staff members are returning counselors; some were even campers at one time!

A typical day

We pack our days full of fun, whether we're heading out on a field trip or spending the day at base camp. Here is what your camper can expect.

Field Trip Day

We offer field trips each week except pre- and post-weeks. **All campers participate in field trip activities; exceptions must be cleared with camp director prior to trip.** Spending money is acceptable on some trips but should be limited to a **few cash dollars.** Our counselors will help campers understand the value of their money. Because field trip days are our most popular days, campers are scheduled on a first-come first-served basis. Once we have reached bus capacity, campers will be put on a waiting list. Depending on total attendance, a second bus may be ordered, or a counselor may stay at base camp with the extra campers. However, we will not leave a counselor at base camp for one child.

6:00–8:00 a.m.	Arrivals, attendance, morning snack, games, trip preparation! Apply sunscreen, pack lunches and grab IDs.
8:00–8:30/9 a.m.	Hold our group meeting, take last-minute bathroom breaks and we're ready to go!

Celebrating the Decades

Camp Rocks

As always, campers have a HUGE part in designing the summer camp program. After all, it is their summer! This year we have decided on a summer of “Celebrating the Decades”! Campers will spend time exploring history from the '50s to current trends. We'll celebrate popular music, TV, movies, fashion and games. We'll even have some fun digging into how the same slang used across time changes in meaning. In keeping with our summer theme, we will celebrate our annual sleepover with a Sock Hop/Disco Dance!

Emphasizing campers' ideas and incorporating them into our programming is what gives kids the pride of saying, “This is my camp, and it ROCKS!”

Virtues Challenge

As always, Jr. Camp/Quad takes quiet pride in helping campers build strong and gracious character. Counselors and campers alike look for ways to challenge and catch each other being virtuous. Get caught being kind, compassionate, courageous or forgiving rather than lashing out in frustration or anger. We understand that no one is perfect, and every day is a new opportunity to start over. We believe that by providing the tools and support, and by trying our best to be better role models each and every day, we can succeed in helping each child build a solid foundation on which strong character can thrive.

CPR Babysitters Course

Because they asked! Jr. Camp Quad will be offering a babysitting course for those campers 12 years and older who would like to become certified in the Red Cross Babysitters Course. There will be a small fee associated with this course.

Book Swap/Journaling

Before the Free Little Library came the Book Swap. We will continue our Book Swap for 2025 because reading is important. Kids will be able to bring a book, take a book (just like a free library). We will also provide materials and prompts for journaling. We will use our down time to either read or create a Gratitude Journal. As we travel through the decades we'll challenge ourselves and each other to learn fun facts about our families, friends and neighbors as they grew through the big hair and wild clothes!

I Should Have Known That

This year we will spend some of our transitional time playing a variety of games to work on problem solving and critical thinking skills. Having the ability to interpret, evaluate and analyze available facts and information, and then form a judgment or decide if something is right or wrong, is not just an essential skill, it is a building block for effective communication and self-regulation. Campers will work on fun ways to learn the basics of these skills while learning the skills of thinking “outside the box.”

Freaky Friday is Back!

Freaky Friday is one of our most requested activities so we are bringing it back this summer! Campers will have the opportunity to end the week in a drawing to swap places with a counselor for the day! Not only is this one of our most requested activities, it is one of our most spirited and hilarious and eye opening activities ever!

Boot Camp

The campers have devised their own “Boot Camp.” This is a “get up and move” series of activities that we play when we are stuck inside due to inclement weather. This is an example of a “pick up game” where the activity is designed, modified and implemented by the campers.

Spirit/Theme Days

Spirit/Theme Days will alternate throughout each week to give everyone a chance to participate. This is a chance to show your camp spirit! Campers and counselors will choose the spirit/theme for each week, and a schedule will be announced at the beginning of summer. Spirit/Theme Days are an opportunity for campers to work cooperatively for the common goals of supporting both our camp and daycare. Campers and counselors can also “Spirit Challenge” each other to see whose team has the most spirit!

Our mission, vision and philosophy

Quad Care's summer camp philosophy is based on a set of strongly held beliefs.

We believe that **each child is a unique individual**. We are aware of our responsibility to meet each child's social, emotional, intellectual and physical needs. We provide developmentally appropriate programs that help children enjoy successful experiences. We aim to strengthen each child's own cultural identity.

We strive to provide **an environment that is safe, clean, healthy and child oriented**. Classrooms are arranged with learning centers appropriate to the child's developmental needs. Activity areas give children the opportunity to explore, experience and discover. We know that the strength of our program is the dedication of our teaching staff.

We support our teachers with training, resources and freedom to create a unique learning experience for children. Our teachers create a caring and nurturing atmosphere and foster each child's creativity and positive self-image.

We encourage **positive methods of discipline**, such as redirection. Our programs are designed to develop a sense of independence and respect for others.

We understand parents are the most important adults in a child's life. We strive to create **a partnership between parents and teachers** for the benefit of the child. We encourage frequent communication between parents and center staff. **Our doors are always open.**
